As you may know, 2008 was a very challenging year for Guatay Christian Fellowship. In May, the church was forced to close its doors because of actions imposed by the County of San Diego. To read the San Diego Union Tribune article regarding the situation go to: http://www.signonsandiego.com/uniontrib/20080728/news_1m28guatay.html. For approximately 6 months, the congregation was forced to meet in the private homes of some of its members. As you can imagine, this was a very challenging time, but as quoted in The National Enquirer magazine "But the small congregation in Guatay, California, fought back like David against Goliath, taking San Diego County to court - where a Federal judge decided their constitutional rights had been violated." We are glad to report that as of the last week of November 2008, the congregation is back in their church facility by order of the Court. The case with the County is not settled, but we are happy to be back in our little stone church.

Due to the hardship of being exiled from their facility for six months causing decreased attendance and funds, the church is in GREAT need of financial help. Any donation would be greatly appreciated to help the church during this challenging time.

DONATIONS can be sent to: P.O. Box 310147, Guatay, CA 91931, or made online at: guataychurch.com
